Table 62
R7a_1. When you are doing research, how do you find information about Print or hardcopy books?
That is, as you gather references and citations for your research, but
before you actually try to get the specific information?

Table 69

R7a_2. When you are doing research, how do you find information about Print or hardcopy journals?
That is, as you gather references and citations for your research, but
before you actually try to get the specific information?

R7a_6. When you are doing research, how do you find information about Papers delivered at professional meetings?
That is, as you gather references and citations for your research, but
before you actually try to get the specific information?

R7a_7. When you are doing research, how do you find information about Print abstracts and indexes?
   That is, as you gather references and citations for your research, but
   before you actually try to get the specific information?

R7a_8. When you are doing research, how do you find information about Online abstracts and indexes?
That is, as you gather references and citations for your research, but
before you actually try to get the specific information?

[Table 118](#)

R7a_9. When you are doing research, how do you find information about Online databases, data sets or data sources?
   That is, as you gather references and citations for your research, but
   before you actually try to get the specific information?
